

Sunshine State Parkway (SR 589) Extension to I-10

Portions of US 19/98/27 can be converted to limited access with bypasses constructed around Perry, Cross City, Chiefland, and Ingles to minimize disruption to local traffic. Additional right of way may be needed for future expansion.

A West Ocala Beltway would reduce SR 200 and SW 80th Avenue traffic dramatically as non local vehicles would use it.

West Ocala Beltway location should be determined and right of way purchased as soon as possible to minimize right of way cost.

Legend

- Major Florida Rivers
- 4 to 10 Lane Interstate + Florida Turnpike
- 2 to 6 Lane US Hwy
- 2 to 6 Lane State Road
- 4 Lane County Road
- 2 Lane County Road
- US 19 / 98 / 27 / SR 589 Toll Road
- Proposed Route for West Ocala Beltway
