

## WE ARE NOT A POLITICAL ORGANIZATION

Horse Farms Forever® does not have a political mission.

Our status as a 501(c)(3) charitable organization does not allow us to participate or intervene in political activities.

The organization will neither advocate on behalf of political candidates nor advocate for the passage of legislation.

Our mission is to inspire conservation of horse farms through education, awareness and idea exchange so as to preserve natural pasture land focusing on horses and their habitats, to protect soil and water on which they depend, and minimize land use conflicts in Marion County, Florida.
